

2 BOOKS ABOUT THE BLACK REVOLUTION

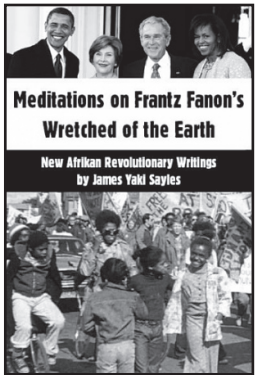

Join us for the Montreal book launch of Safiya Bukhari's *The War Before: the true life story of becoming a Black Panther, keeping the faith in prison & fighting for those left behind*, and James Yaki Sayles' *Meditations on Frantz Fanon's Wretched of the Earth: New Afrikan Revolutionary Writings*.

Following readings from each book, there will be a discussion of local efforts around U.S. political prisoners and prisoners of war, the prison-industrial complex, and its relevance in Canada. Light refreshments will be served.

Check out the words of these fallen warriors, examining the successes and failures of the Black Freedom Struggle, and their meaning for today...
